LLAVANERES, SHARING PRIVILEGE WITH RESPECT

SHARING PRIVILEGE WITH RESPECT

Welcome to your home!

Llavaneres is a welcoming town: we are happy for you to visit us and enjoy everything we have to offer.

Sea, mountain and the exceptional weather of the Maresme region.

Fine facilities to play your favourite sports.

A Catalan Art Nouveau heritage to discover and a museum, in Can Caralt, with a gallery and exhibition hall featuring works by prestigious artists.

A wide variety of top quality restaurants where you can taste our products with a guarantee of quality: Llavaneres peas, if in season; the *coca de Llavaneres* (a traditional local pastry), all year; and also the stuffed apple, around Saint Andrew's Day.

Local shopping: people at the service of people, always offering the best products.

In Llavaneres, we are all about sea and mountain, as well as sport and gastronomy, Catalan Art Nouveau and shopping.

Thank you for choosing us: it's a pleasure to share the privilege of being in Llavaneres with you.

1| Respect your **neighbours' sleep**: we all have to face a new day tomorrow. In particular, please don't make any noise between 10 pm and 8 am.

2| Enjoy the streets, squares, green spaces, mountain and beach, but **without leaving any litter behind**. Respect street furniture and green zones.

6| Enjoy shopping, local producers and gastronomy. Don't leave without trying the *coca de Llavaneres* (a traditional local pastry), the stuffed apple, and peas.

7| On your outings, remember to take appropriate clothing, comfortable footwear, **water and a bag for litter**.

3| Produce the **minimum of rubbish and recycle** appropriately.

4| Only use the energy and water you need. This is a country where water is a scarce resource.

8| Read the information available in your accommodation: you'll find instructions about **what to do in case of flood or fire**.

9| Discover the Llavaneres festival calendar, activities for all the family, markets and fairs.

5| Get around **on foot, bicycle**, bus or train: it's cheaper, sustainable and healthy.
